### MESSAGE

I am very happy that the web portal is being launched by the Ministry of Power for "Rajiv Gandhi Grameen Vidyutikaran Yojana". I am sure this effort will go a long way in placing complete information about the programme in the public domain. I understand that this portal is also designed to monitor the progress of implementation of the programme through Web with the participation of implementing agencies. This two dimensional tool will certainly bring about greater transparency and new dynamism to the programme with the active participation of stakeholders.

I compliment all those associated with the development of the Web portal. I invite all the stakeholders to use the portal and convey their views and suggestions for the betterment of the Yojana.

  
(SUSHILKUMAR SHINDE)
